**CITY OF FARMINGTON'S MAYOR'S VOLUNTEER PARTNERS
RELEASE OF LIABILITY FOR ALL PARTICIPANTS**

I waive any claims against the City of Farmington, its agents, officers, employees and volunteers from any and all liability and release and hold harmless for death, personal injury, and destruction of property, loss, expense or claim for injury or damages not caused by the intentional acts of City of Farmington employees or the gross negligence of said employees arising from my participation. I realize that each department/division and event holds unique risks depending upon its nature. For example, a volunteer who works in the animal shelter will be exposed to risks of working with animals, e.g. dog behavior and risks in exercising animals, and a volunteer who works at the golf course may be exposed to risks of in-air golf balls. River Trails Clean Up may be physically demanding, and affirm that participants' are in good health, and that no one is under a physician's care for any undisclosed condition that might endanger the health of others. We recognize the inherent risk of injury or disability in these activities, and fully understand that each participant must assume the risk of physical injury that could result from these activities. These risks are inherent, and they vary according to the nature of each division or event and the details of the service project, and I accept these risks. I understand I would not be compensated for any of my services and that my participation would not result in employment with the City of Farmington. I understand that the City of Farmington is not obligated to provide me with a service project placement, and I am not obligated to accept the service project placement offered. I understand that the City of Farmington reserves the right to terminate my status as a participant at any time. As a participant I understand I may be photographed for educational, archival, and public relations purposes.

If volunteer is under 18, parent or guardian must sign also.
